WILDFIRE BIOMASS CHALLENGE

$4K PRIZE POT

Kickoff Session:
Friday, Feb 20th | 3:00 PM
Mines East Classrooms, Room 210 & 220

Evergreen, Colorado is in the top 1% for wildfire risk in the US; this has driven major community-wide mitigation efforts. Help us design innovative, scalable solutions to manage and repurpose the resulting biomass:

Logs | Pine Needles | Wood Chips | Beetle Kill | Slash
